

# ***MIOSHA Recordkeeping,*** ***Accident Investigation & Workers' Compensation Strategies***

## ***1 Who Should Attend . . .***

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOSHA

## ***2 Why You Need This Seminar . . .***

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

## ***3 What You'll Learn . . .***

This full-day MIOSHA seminar is designed for safety managers, human resource managers and supervisors, and provides an excellent opportunity to understand how companies can reduce costs associated with workplace accidents and injuries. The course will further your understanding of MIOSHA Log 300 recordkeeping requirements. Seminar attendees will also understand the importance of conducting a comprehensive investigation following near-miss incidents and accidents. Attendees will also learn how to determine your company's insurance MOD factors, how to reduce workers' compensation costs by obtaining scheduled and premium credits, and how to reduce medical only claims by up to 70%.

### **Agenda**

*This program is  
primarily for  
General  
Industry.*

- ▶ An overview of the services provided by the Consultation Education & Training Division
- ▶ Reporting and recording of Occupational Injuries and Illnesses
- ▶ Accident Investigation
- ▶ An Overview of Workers Compensation

All meetings are accessible and barrier free. Please contact the cosponsor or CET Division, at least two weeks in advance, to request necessary accommodations.

# Facilitator

Jennifer Clark-Denson has over 10 years experience in occupational safety. Prior to joining the CET Division as an occupational safety consultant, she spent time working as a General Industry Safety Officer for MIOSHA where she was responsible for inspecting a wide variety of work operations to observe and identify potential violations of MIOSHA safety standards. Her previous work experience includes positions as an Environmental Consultant and Code Compliance Officer.

Jennifer currently provides occupational safety services to Wayne, Monroe, and Lenewee counties. She has both a Bachelor's degree in Industrial and Environmental Health Management from Ferris State University, and a Masters degree in Human Resource Management from Davenport University.

**Jennifer Clark-Denson**  
*Occupational Safety Consultant,  
MIOSHA, CET Division*
